AAAAAAA SURREMAE

Long

The patterns for this Emu Long Line Sweater and Emu Beret are FREE to readers of Schoolgirls' Adventure Library.

The sweater is made in 39 oz. of Emu Scotch Double Knitting Wool and the pattern caters for bust sizes 34 in., 36 in. and 38 in. Perhaps you are amazed at the number of ounces this sweater takes but the wool is used double throughout which makes it very warm and cosy.

The charming beret, which can be worn in a number of styles, takes only 3 oz. Emu Scotch Knitting Wool and one ball of Filigree Mohair and is very

simple to make.

If you would like these two patterns, write to Sal White of Schoolgirls' Adventure Library quoting pattern No. 29 and enclosing stamped addressed envelope. Your pattern will then be sent to you without delay.

Shortie

The secret's out—the new Shortie Shirt by Harrimonde, is here! This is just what everyone has been waiting for—a smart coverup to wear at work or home—even to pop out in, over a skirt or trousers! Made in 4 oz. Bri-Nylon, it has large patch pockets, new adjustable elbow-length sleeves and show-through side slits.

The shirt is made in seven colours, Salvia Blue, Turquoise, Navy, Lilac, Primrose, Pink and Flame and it caters for sizes SW (34/36 in.), W (37/40 in.) and

WX (41/44 in.).

This style, which is called "Ruth" is sold at stores throughout the country, at around 49s. 11d. Don't forget - all Harrimonde overalls have heat-sealed buttonholes and seams for hard wear!

FUN AT THE PARTY!

To start your party off on the right lines, try these two party games which will be a good test of your guests' memory

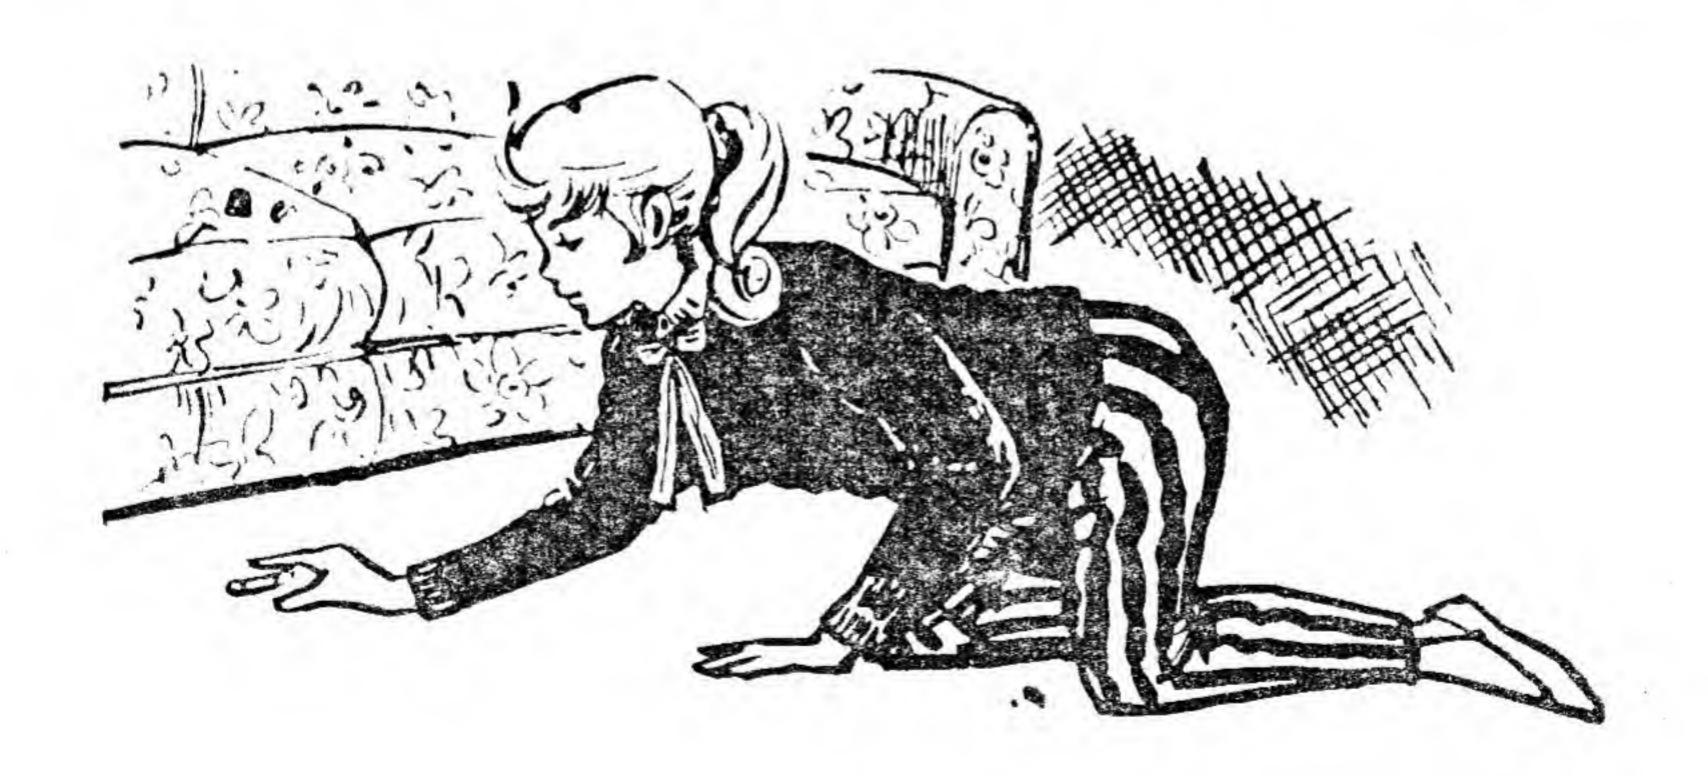

and powers of observation.

Give your friends a piece of paper and a pencil. Place on a tray an assortment of articles and let this be viewed for say half a minute. While everybody is frantically writing down the articles that were on the tray, you can retire to your record player and quietly swoon over your favourite record.

The second game is similar, only this time place a number of unlikely articles around the room. For instance—a thimble on the floor—and while your guests are scratching around looking for monkeys behind the settee, you can again, give

all your attention to your favourite record.

Make the winners of both games give their own version of the "Twist" and in no time at all you will have everybody "Twisting" away to your favourite record which leaves you free to either join in the dancing, or retire to the settee!!

CHRISTMAS FARE

RICH CHRISTMAS CAKE

Ingredients;

1 lb. currants

1 lb. sultanas

8 oz. raisins

4 oz. glacé cherries

4 oz. shelled almonds

6 oz. mixed peel

Lemon juice

10 oz. caster sugar

10 oz. butter or margarine

12 oz. flour

6-8 eggs

2 teaspoons mixed spice

Grated rind of one lemon

Pinch of salt

A little milk

Clean all fruit thoroughly and dry. Chop the cherries, peel and almonds. Slightly warm fat and cream with sugar until light and soft. Break the eggs separately into a basin and add one by one to the mixture beating in each egg thoroughly. Sieve dry ingredients into a bowl and add fruit and lemon rind. Gradually fold into creamed mixture. Continue adding dry ingredients

adding a little milk and a squeeze of lemon juice. Put all the mixture into a lined 9 in. cake tin.

Bake in a slow oven (Mark 1, 300°F.) for 2 hours and then reduce oven temperature to Mark ½, 275°F. and cook for a further 2½-3 hours. When cake is sufficiently brown, cover with a double sheet of grease-proof paper. When your cake is ready for icing, you can do this simply by making a jolly snow scene as shown in the illustration.
